

# Summer Market Bag

## Materials:

Sugar N' Cream Yarn in Denim- 2 skeins (or your favorite cotton yarn)

Sugar N' Cream Yarn in Flame- 2 skeins (or your favorite cotton yarn)

Crochet hook- size G

Yarn needle

Scissors

## Abbreviations

ch=chain

sc=single crochet

sl st=slip stitch

dc=double crochet

Using the denim colored yarn, make a magic ring. If you have never made one or need a refresher, you can check out my video how-to [here](#).

1. Magic ring-ch.1, 6 sc, sl st to beginning ch.
2. 2 sc in each sc=12 sl st to beginning
3. 2 sc in 1st st, 1 sc in next st, repeat to end, sl st to beginning
4. 2 sc in 1st st, 1 sc in next 2 st, repeat to end, sl st to beginning
5. 2 sc in 1st st, 1 sc in next st, repeat to end, sl st to beginning
6. 2 sc in 1st st, 1 sc in next 2 st, repeat to end, sl st to beginning
7. Sc around, sl st to beginning
8. 2 sc in 1st st, 1 sc in next st, repeat to end, sl st to beginning
9. Sc around, sl st to beginning
10. Sc around, sl st to beginning

Continue sc around and sl st to the beginning until it is 10 inches in diameter, mine was 19 rounds total. Join the other color of yarn to begin the body of the bag with a round of double crochet.

## For The Mesh

1. Skip 1st stitch and slip stitch in the next stitch, \*ch 3, skip st, sl st, repeat from\* to end, ch3
  2. Slip stitch into the 1st group of ch 3 stitches, \*ch3, sl st into next group of ch3 stitches, repeat from\* to end
- Repeat those two rounds until you have the bag as big as you would like it. I made mine 14 inches long.

Join the denim colored yarn when you have your bag to the length you want and double crochet around for 3 rows. To make the handles, dc 8, ch 2, and turn, skip the two chains and dc into the last dc, dc across, ch 2 and turn. Repeat that until the handle is as long as you would like it. I made my handles 40 rows long. Then attach the handles with a yarn needle where you would like them placed.
